Subject: TDD Ammendment - Canadian Radium & Uranium Corp. Site/TO-0007-0023

Dan,

RST 3 would like to request a TDD amendment for the Canadian Radium and Uranium Corp. Site, TDD#: TO-0007-0023. As of Today, November 17, 2016, RST 3 has utilized 138.1 of the budgeted 150 hours, with a balance of 11.9 hours.

This request for additional 100 hours would enable RST 3 provide field support during the upcoming Removal Assessment of the Site and subsequently prepare a Removal Assessment Sampling Trip Report, including preparing analytical data tables, figures, and data validation.

Please let Shawna Hoppe know if you concur with this request.

Thank you.

Ben Nwosu
