Howdy Ben,

Sorry this took so long. Attached is the screening values for the water samples. Please let me know if you need anything else.

Thanks a bunch
Lyndsey

Subject: Canadian Radium & Uranium Site EPA SSAL/PRGs for Groundwater

Good afternoon Dan,

The trip report for the groundwater sampling event conducted in December 2016 should be ready as soon as we receive the EPA SSAL/PRGs for groundwater. I have attached a modified data table which includes the highest result values from the sampling event to enable Lyndsey calculate the EPA SSAL/PRGs for groundwater.

Please let me know if you have any questions.

Thanks,

Ben Nwosu
