Good morning,

I have been out since Thursday so there could be another dicamba report that I'm not aware of, but I think this is what you are looking for. I have attached the redacted version of the BEAD memo.

Thank you,
Emily

Hello,

OPA is proceeding with Michal's plan to release the embargoed press release and dicamba report this morning as listed on the release plan.

Can we please have the finished copy of the dicamba report PDF as soon as possible to share with OPA?

Thank you,
