Given that the website is already live and folks got a heads up, should these go out today then?

I don't think that comms is drafting anything. Copying Rhina and Greg.

Yes, we can send a notification to Regions and SFIREG/AAPCO. Will the comms team be drafting anything? Otherwise we can just send a quick note with the link. What is the timing for distribution?

Thanks,
Kaitlin

Also passing along that Connie has a draft response she's working up to inform the IG.

I agree.

Yes, I was planning on reaching out to Kaitlin re: sending a notification to the regions and states regarding the updated 24(c) guidance on our website. We had a meeting with Leo Reed and Dave Scott Monday morning about 24c/dicamba concerns for IN. Following up on the meeting, I sent them a link to the updated webpage which posted yesterday. Leo is asking if he should forward to all of AAPCO or if EPA will be sending a notification. **Kaitlin - Would your team be willing to send a notification to regions/states with the link to the updated website?**

Thanks,
Marietta

During the OPS general Alex asked that we loop back with OIG on their initial request for "OPP document that was sent to states regarding the final decision on restrictions" regarding 24cs.

Thank you for your time today and again my apologies for my computer's insubordination! It is currently still in timeout!

OIG requested items:

1. List of all the participants from OCSPP for today's meeting.
2. OPP document that was sent to states regarding the final decision on restrictions.

I will send an update to Janet and Cameo when we believe we are within one week of sending out our draft report.

Be well

Lauretta
