All,

If possible, TPA would like to obtain approval for implementation of the investigation activities outlined in the attached CMS Investigation Work Plan for Parcel B13 previously submitted on March 15, 2021. A sonic is rig is scheduled to be on site beginning April 4, 2021 and TPA would like to proceed with this work at that time. TPA appreciates your consideration of this request.

Please let me know if you have questions.

Thanks,
Laura

Subject: B13 CMS Investigation Work Plan (Revision 0)

All,

Please find attached the Parcel B13 Corrective Measures Study Investigation Work Plan. The associated attachments are available to download at the link below.

E-Attachments

This Work Plan is being submitted in response to comments provided by the Agencies on February 5, 2021 related to the Parcel B13 Stockpile Beneficial Reuse Plan. Please note that TPA understands odor control during transport must be addressed during implementation of the final remedy.

Please let me know if you have questions or require further information.

Thanks,
Laura
