Thanks. I'm attaching a clean pdf for signature and a final redline, showing your changes, plus I went through and did one more close read and found and addressed a few other small typos.

Once we get your signature pages, I'll route it here for final management review and approval. Andrea and DOJ both reviewed last week and were fine with it, so hopefully that process will not take long.

Thanks,

ap

Hi Adam,

I'm ready to send you the signature ready version of the AOC; can you let me know what option AR will use for paragraph 104 (initial financial assurance)? Once I have that, I can finalize everything and send it your way.

Thanks,

ap
