Subject: RE: Call w/ Bayer
Attachments: Petitioners Response to Motion for Leave to File Brief.pdf

Added Erin and Scott so they know this was sent to you. Below is the Petitioners' response to our latest motion concerning remedy that we filed last week. This may come up in the call tomorrow with Bayer. Bayer is likely to file their response soon as well.

I spoke to Phil Perry and he noted that he wanted to make sure that the lines of communication are open in the event we get an adverse ruling. He said that of course it all depends on what the court says, but wanted to provide us with their information on what is currently happening in the field now and what is expected to occur over the next month or so. Thanks
