Thanks David,
We need a Comms Strategy as we discussed yesterday. If Paul is too busy maybe Kate could help out on a one time basis. She knows the drill and is very fast at putting things together. If possible I would like to have a draft by COB Tuesday.
Thanks

Hi Mike,

See message below from CBD to Joel and Peter transmitting their 7 page letter. I also received a call from both of the CBD reps included in the email below. They both want to meet with us. Maya also wants to include some members of the local community in our meeting.

Have a nice evening.

Dear Mr. Kobelski, Mr. Grevatt, and Mr. Beauvais,

Attached please find a letter from Maya Golden-Krasner of the Center for Biological Diversity regarding the Center's concerns about the EPA's aquifer exemption review for the Arroyo Grande Oilfield in San Luis Obispo County, California. The references cited in the letter follow via FedEx; you should receive them on February 12, 2016.

If there is anyone else at EPA that you believe we should contact about this aquifer exemption process, please forward this letter to them. Please don't hesitate to contact us if you have any questions.
