Good Afternoon Mr. Lewis,

I can be available tomorrow afternoon between 2:00 and 4:00 central time, or actually anytime within the next hour today if that works for you. Mr. Hague will not be available to join us. The two primary items I'd like to discuss is when EPA will be provided with the data identified in our November 17, 2016 letter, as well as obtaining access from you clients, Mr. and Mrs. Dailey, for EPA to perform our sampling of their home.

Regards, Alyse

Ms. Stoy :

Thank you for your letter regarding EPA's interest in our data and EPA's interest in doing sampling in the Bridgeton neighborhood. Please suggest a time tomorrow or next week when you and Mr. Hague can talk to us by phone to address these issues .

Thank you , Rich Lewis
