Hi Cathy,

Thanks for your feedback on the Eureka report. I've attached the Final Summary Report for distribution to the City. With regard to your one suggestion, please note the acronym 'CA' is actually defined on page 2 in Table 3, which I believe is the first time it appears in the report. Therefore, I did not make any additional changes to the report. Let me know if you have any additional questions pertaining to this report.

Respectfully,

Subject: RE: Eureka PCA Draft Summary Report

Hi Chuck:

I have reviewed the Eureka PCA draft report for the audit dates January 30-31, 2018. The only change that I recommend is to define CA (Control Authority) before using the acronym. I appreciate your staffs' assistance for this audit and report.
