Hi John,

I am the attorney assigned to the case. I was out of the office with an injury for the past month but I am now back at work and catching up. I need to confer with folks about this and will not be able to get back to you until next week as I am out of the office tomorrow. Can we talk on Tuesday or Wednesday of next week? Please let me know your availability. Enjoy the holiday weekend.

Sharon

Jim:

Please accept this note as a follow up to our late-April correspondence regarding this matter. Please let me know if your schedules have fallen in to place such that your team might have time to hold a short meeting with us to discuss the status of things.

Thanks.

John

John,

At the current time, our office of regional counsel is coordinating requests for meetings. Sharon Kivowitz, the Site attorney is out of the office. In the interim, I've informed Jim Doyle, Sharon's supervisor, of your request for a meeting. Over the next few days, we should have a better sense of Sharon's schedule and sense of when she is expected to return. Either Jim or I can contact you when we know Sharon's schedule.

Thanks,

Jennifer LaPoma

Subject: Request for Conf call with Frost St Parties

Jennifer:

The Frost street parties are working with NYSDEC on an amended investigation in support of a groundwater remedial work plan and we really need to talk with you about it to make sure we are coordinating with the Federal ROD. Can you please let me know when you and your team at EPA including counsel can have a brief conference call with us?

Thanks.

John
