Dear Mr. Cornelius:

On July 30, 2021, the Environmental Protection Agency's Region 4 office and the National Enforcement Investigations Center conducted a partial compliance evaluation of the ABC Coke facility located in Tarrant, Alabama. Enclosed is a copy of the final report generated by the U.S. Environmental Protection Agency's Region 4, North Air Enforcement Section.

Should you have questions regarding this inspection report, contact me at (404) 562-9177, or by email at rieck.stephen@epa.gov.

Sincerely,

STEPHEN RIECK
