Hi Carl and Ken,

I've attached my latest re-write of the NPL project's Preliminary DEIS general conformity comments (see 2nd file above entitled "EPA-BLM-General-Conformity-Concerns-

Version6-with-SLL-and-OGC-edits-4-2-13.docx). This Version 6 reflects the comments noted by OGC below and contained in Karen's file (see the 1st file attached above).

Ex. 5 - Deliberative Process

For your reference, the following weblinks take you to Wyoming's Chapter 6 (permitting), and Chapter 8 (general conformity) respectively;

http://soswy.state.wy.us/Rules/RULES/8973.pdf

http://soswy.state.wy.us/Rules/RULES/8890.pdf

I would suggest that you both take a look at this and let me know of needed edits. Once I have a "final" draft version from the three of us, I'll send it back to Karen (OGC) for her review. Based upon her suggested edits, we should then be able to arrive at a "Version 7" that Ken could then forward to Suzanne for editing before going to Kate for review.

Sound about right?

Thanks!

Tim

Hello Tim,

As I stated in my previous round of comments, I generally agree with the comments you have drafted to send to BLM on their general conformity analysis for the NPL project. I have added a few edits and comments on top of what Sara sent to you last week.

Thanks to you and Sara for providing me with the opportunity to comment on this.

Thanks for the chance to look this over. A few edits/questions/comments in the attached. As I am Ex. 6 - Personal Privacy, I am going ahead and sending this to you, and also copying OGC's Karen Bennett (and including the various documents reviewed and cited for her) and letting her know this is being drafted in the event she wants to also look this over before it goes out (I suspect she will!). I'd normally coordinate with Karen before sending to the comments to you, but I know you are anxious to send these so I want to keep the process moving Ex. 6 - Personal Privacy

Thanks,

Tim

Just to clarify/confirm, the comments you have drafted are regarding the following language from the attached document(s), if your draft comments are on other language, can you let me know what that is?

Thanks

Sara

Hi Sara,

As we discussed just a bit ago, I have attached our latest version (#5) of draft general conformity comments related to two sections of the BLM's preliminary DEIS for the NPL project in Wyoming's UGRB 8-hour ozone nonattainment area.
