Subject: Acetamiprid PID for OGC Review
Attachments: Acetamiprid PID D6 for OGC Review.docx

Good afternoon Phil,

Please find the current draft of the acetamiprid PID attached for OGC review. Note that this document does not incorporate pesticide benefits and mitigation impacts from BEAD (see highlighted remarks on pp 6 and 17). These components are still being developed. In the interests of meeting the goal of a mid-Dec signature, we are circulating this draft for review as is, and will circulate the BEAD sections for review, when they are complete, at a later date. We appreciate your patience. Please let us know if you have any further questions. We appreciate your thorough review.

Happy Thanksgiving!
Jon
