Subject: USDA Point of Contact for Treated Seed Petition Response
Attachments: CitizenPetitionEPA-HQ-OPP-2018-0805-0002.pdf

Good Afternoon,

I hope this email finds you well. My name is Quinn Gavin and I am Chemical Review Manager with the EPA in the Pesticide Reevaluation Division. We are currently working on the response to a petition on treated seeds from the Center for Food Safety in 2017 (attached above) and are interested in USDA's input on the matter. Please let me know if there is someone that could serve as a point of contact for this petition within USDA. If you have any questions please let me know.

Thank you,
Quinn
