Subject: RE: Neonic EFED RTC coordination - questions for PRD

I would like to add the following comment to the agenda for the discussion with PRD:

Summarized comment (on thiamethoxam) – Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

This is the statement in the PID that the comment focused on: Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

The ecological risk assessment concluded the following: Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5 I think that we should discuss this with PRD.

Subject: Neonic EFED RTC coordination - questions for PRD

Hello Matt and others in PRD, (I will forward on to all the EFED team members)

As we've been developing the EFED neonic PID-RTC document, we've had quite a few instances where our discussions have led to the need to confer with PRD / BEAD. I have tried to compile the questions below so they are all in one place. I'm sure there are some additional questions I have missed, and some of these refer to previous email inquiries I have sent.

I'm thinking it might be helpful to have an EFED, PRD, maybe BEAD meeting the first week of January to talk through some of these. Seems like a meeting would enable discussion / nuance and save a copious amount of emails. **Is it possible for you to set something up?**
