hmm. I was thinking we would hear today for publication on Monday... but I figured I would go out to Wed to win...

So something weird happened yesterday.. my fingers are still crossed.. how to fix this? How will I stuff a turkey with crossed fingers?

;0)

So,, now we have to establish a new vote.

I vote for receiving notice on Friday with a publication date of next Tuesday.

your turn.

Thanks for getting that done!

I am available tomorrow as well (just replied)..

Okay.I signing off for tonight. .need to stretch my fingers.

Thanks for getting the documents uploaded to the docket. Sooooo bizarre

Hi Diedra,

The Final SEIS has been uploaded and is available on regulations.gov as a supporting document: https://www.regulations.gov/docket?D=EPA-R01-OW-2016-0239

The FRL # for this rule is 17 001.

I will be in all day tomorrow if you need anything else. Thank you and have a Happy Thanksgiving!

- Alicia

Hi Deidra,

Thank you for your edits. All of your changes are "approved".

Alicia has uploaded documents to the docket and the documents should be available for your view later today.

The documents are also posted to the EPA R1 website, " https://www.epa.gov/ocean-

dumping/final-supplemental-environmental-impact-statement-eastern-long-island-sound".

The FRL for the FSEIS is on the coversheet submitted to you.

The title of the supporting document is the " Supplemental Environmental Impact Statement for the Designation of Dredged Material Disposal Site(s) in Eastern Long Island Sound, Connecticut and New York – Final"

Please let us know when the publication date will be and please let us know if you have any questions.

Thanks, Jeannie

Good morning,

We received the attached edits from the OFR yesterday. If you agree with their edits, please reply by noting that the changes are "approved." If you have any concerns, please use the comment feature.

Do not use the "accept" nor "reject" feature for any of the changes, please leave the redline/strikeout.

Please email with any questions.

Thank you,

Diedra Wingate
