[Warning: External email]

Good morning – I've touched base with the core team, and learned that folks are quite busy for the next week.

Times that should work next week:
-Tuesday 12-1pm and 4-4:30pm
-Wednesday 2-2:30pm
-Thursday 8-8:30am

If none of those work, I can ask the team if there are meetings on their calendars that they can move or miss.

Thanks,

Looking into it. I'm virtually deployed in support of an environmental emergency in Michigan, so apologies if it takes me a bit to respond. I'm checking with staff on their availability.
