Deb & Claire,

I am hoping to visit the Vorhes farm the first week of May, I will contact you when I know what day in case either of you would like to join me. I have spoken with Mr. Vorhes and requested a written update summarizing any changes in the past 10+ years. I will share with you any information he sends me.

Sincerely,
Terri

Ben also shared that Ethan Vorhes has reached out to EPA as well, and Theresa Brink is planning a site visit.
