Subject: Ashurst Bar/Smith Community Organization March 5 2018 Complaint, Case No. 16R-17-R4: Supplementary Materials: 2nd of 3

Please find additional photographs documenting uncovered trash at Stone's Throw Landfill after operational hours. These photographs were taken by Ex. 6 Personal Privacy (PP)

DSC03380.JPG: March 17, 2018, 6:07 pm
DSC03381.JPG: March 17, 2018, 6:07 pm
DSC03382.JPG: March 17, 2018, 6:09 pm (inadequate cover by tarp)
DSC03383.JPG: March 17, 2018, 6:09 pm (inadequate cover by tarp)

Again, these photographs corroborate statements by community residents attesting to their observations that trash is frequently uncovered after hours and, on other days, inadequately covered by tarps.

Sincerely,

Marianne Engelman Lado
