Subject: RE: Using AVERT and COBRA in offshore wind EIS's

I agree that it is great they reached out.

I would love to listen in but do not want to get in the way if everyone else is free and I'm not.

That said I could do 12/13 at 10, 12/14 at 9 (although I might have to call from my car) and 12/15 at 2

Hi Colby,

That's really great to hear BOEM reached out!

I prefer next Wednesday (12/15) at 10am or 2pm, but I'm definitely OK with it if Tim and/or Eric can make it instead and you go ahead without me. I've been heavily involved in the Future of Work negotiations for AFGE, and will be involved with upcoming Master Collective Bargaining Agreement (MCBA) negotiations too; so I'll have limited availability in the near future. **Ex. 5 Deliberative Process (DP)**

Hi All,

As an FYI, please see the note below from BOEM—they reached out to discuss AVERT and COBRA.

Emma,
I'll use your calendar to find a convenient time to meet.

Thanks,
Colby

Hi Colby,

Ex. 5 Deliberative Process (DP)

Some times for consideration:
Tomorrow 12/9 at 1:00, Monday 12/13 at 10:00, Tuesday 12/14 at 9:00, or Wednesday at 10:00 or 2:00, all Eastern. If none of those work, please let me know when would be better.

Thank you,

Ian Slayton
