Attachments: 2022.03.08_Dovre Norflam Harbor Light Cert Letter 213-19 Resissuance.pdf

Sensitivity: Personal

Dear Dr.Sanchez,

Thank you for the reissuance of the certificate.

Please note that Yvan Van Gucht (R&D Manager) -reporting to Kris Van de Ven- left DOVRE in September 2021 already.
Michel de Vicq, Product Development Manager, fully took over his job's content, and more.
So thank you for removing Mr.Van Gucht from your database and redirecting further communication towards Michel.

Yours sincerely,

Stéphane HULIN
GENERAL MANAGER - DOVRE nv

Onderwerp: Norflam Harbor Light 760, Sierra Flame Lynwood W76, SBI Cape Town 1800 Non-Catalytic Cordwood Wood Heater Models; Certificate of Compliance Number 213-19
Urgentie: Hoog
Gevoeligheid: Persoonlijk

Mr. Van Gucht,

Thank you for contacting the U.S. Environmental Protection Agency (EPA). Your request for certification for the above-referenced models has been approved. Within 30 days of receiving the attached certificate, please update your website with the revised certification test report.
