Subject: Patrick Walsh letter concerning RFR 17002A

Hi Jeff – Attached is the letter for Vaughn to send to Patrick Walsh concerning RFR 17002A.

The letter recaps everything that I have told him via email. It also includes the caveat that work on RFR 17002A is now internal to EPA and it is inappropriate to communicate with him until after the Executive Panel has made its decision. He is given the option to withdraw the RFR prior to the panel meeting. Tracy Sheppard has reviewed this letter and her edits have been incorporated.

Thank you!

Katherine
