Hi Daewon – Peter is out this week. There are quite a few people who would have to travel to SF for a meeting. At least 4-5 AR people, Alex, and one or two DTSC people. Are you not available for the standard meeting on the 17th here in Sacramento?

I anticipate topics to include:

WGOU updates
PGOU updates
- Construction complete
- Operation of SVE system

Vapor Intrusion Summary – Winter wrap up and Summer planning
Area 40 vapor intrusion risk assessment
C29/C41 vapor intrusion evaluation
Status updates
- C29/C41 partial deletion
- Consent Order
- Partial deletion agreement letter

Chris

Hi, Daewon and Peter.

If discussions are limited to OU3/OU5/OU6 then I won't need to attend this. If OU7, Area 40, VI, or C29/C41 is on the agenda, I should also attend. I'm in training all day 23-25 May and can't join you then though.

I'm available for SF meetings the following days if it's decided to hold them in the EPA office:

16-18 May
22, 26, 30, 31 May

Thanks,
Lynn

Hi Peter,

There won't be a CAG meeting this month so I'd like to suggest we meet in San Francisco the week of May 22nd. Monday, Tuesday or Thursday work best for me.

Thanks,
Daewon
