Ok. Thanks for comparing the comments and consolidating as needed. Definitely will save us time in finalization.

Hi, Chris. I'm trying to resolve some of Dan's comments on the RTCs with CH2M's risk assessors, since Dan is out for a while. Sorry for the delay—more soon.

Hi Chris. I will aim to get back to you Friday. I'm on vacation through Thurs. I believe the ARARs are now good to go but need to run through the risk comments.
Thanks,
Lynn
