Subject: Additional Aerials for Area 40
Attachments: Aerials 1937_53_66_73.pdf

Hi Peter – Alex was able to find some additional Area 40 aerials photographs. I have scanned and attached to this e-mail. The photos are as follows:

1937 – before AR arrives at the site
1953 – AR just arriving at the site. No activities at Area 40
1966 – Area 40 operating at peak
1973 – Area 40 no longer in operation

You should also have a photo from 1961 showing Area 40 in operation and one from 1981 showing Area 40 no longer in operation. Hope these help your evaluation.

Chris
