Media-specfici Criteria

CWA

1 or more quarters in SNC (last 3 yrs)
1 or more informal enforcement actions
1 or more formal enforcement actions
* municipal facilities filtered out

CAA

1 or more quarters with HPV (last 3 yrs)
1 or more informal enforcement actions
1 or more formal enforcement actions
1 or more stack test fails (previous 3 years)

RCRA

1 or more open violations
5 or more years for oldest open violation
1 or more quarters in SNC (last 3 yrs)
1 or more informal enforcement action
1 or more formal enforcement action
$10k or more in total penalty amounts

SDWA

Companies with multiple systems on the SDWA enforcement targeting tool (ETT) list in the current quarter or have been
Companies with systems in multiple states with compliance issues
Corporate linkages were identified by PWS name similarities, Organization Name fields, or Addresses.

Spills

total number of calls to National Response Center since Jan 2019
* drills and tests filtered out

Description
Simplied corporate name, does not include full corporate screen of subsidiaries.
Count of calls to National Response Center Since January 2019.
Count of handler IDs that met RCRA criteria.
Count of NPDES IDs that met CWA criteria.
Count of permit IDs that met CAA criteria.
Sum of RCRA, CWA, and CAA counts by Standard Name.
Sum of RCRA, CWA, CAA and spills counts by Standard Name.
Count of Media (plus spills) by Standard Name.
Count of active facilities based on Standard Name.
Facility name from database
Count of handler IDs that met RCRA criteria.
Count of NPDES IDs that met CWA criteria.
Count of permit IDs that met CAA criteria.
Count of permit IDs that met SDWA criteria.
Count of calls to National Response Center Since January 2019.
Facility name from database
