Hi Everyone,
Just following up on earlier discussions that the FR notice needs to go to OPA and FR office for processing. We will have a chance to finalize our documents relative to agency feedback while we wait to hear back from the FR Office. Please let us know when the FRN Approval Form are signed by Richard and ready for us to pick them up.

Thanks,
Tina

Hi all,

See Dec 8th email from Vicki Soto below for the list of Agency Reviews, highlighted in yellow. These are the designated representatives from program and regional offices that review IRIS products. The email distribution list is a broader group that is interested in IRIS systematic review-related materials.

Note that Kris followed up with additional notification, on Dec 9th, to OCSPP.

Thanks,

Samantha

Subject: IRIS Agency Review - Template Protocol

Dear IRIS Agency Reviewers –

We are pleased to provide our **Template Protocol** for your review. This document is being shared with the group that has been meeting with the IRIS Program to discuss systematic review, and so is broader than the usual review group.

We are now sharing all review documents on the IRIS Agency SharePoint site, located here: https://usepa.sharepoint.com/sites/ORD_Work/IRISagencyreview/SitePages/Home.aspx (see the Review Documents section). Three specific notes for this review are provided below:

- Please focus comments only on substantive issues.
- Combine all comments from an office or region into a single document (see Agency Review contact list below), then upload to the Systematic Review folder on the SharePoint site.
- Post all comments to the SharePoint site by **COB Friday, January 12**

Thank you for your participation in EPA's IRIS Program. We appreciate your scientific input on IRIS draft documents. Please let us know if you have any questions.
