Great Discussion Today

Attached is the most updated version of the doc. This includes the latest/greatest vewrsion of Ch 3. Also provides latest versions of Ch 1 and Ch 6.

For next Friday, please use this version for Ch 1 and 3 and the materials that Rick sent around for Ch 2.

(Notice the new sleek title!)
Thanks,
Glenn

The title is getting cluttered, again (I get confused easily). For a new official complete version I suggest limiting it to just "Additivity -Full text [date]". Don't need to mention the appendix and I don't think we need to see all the prior revision dates and initials.
