David-

Since I sent the below email this morning, I had folks from Florence Copper ask if we could get another update on their permit application as well. If possible, it would be great to check in on the process of both permit applications. Thanks again for your help.

Hi David,

Thanks again for speaking with myself and Chuck last month about an update on the Florence Copper UIC permit application. I'm reaching out today in hopes that we could connect over a similar status update on the Excelsior Copper UIC permit application. Would you have time in the next day or two for a brief call?

Thanks much.

Best,

Melanie
