Hi Nancy,

I can manage the review without the responses to comments in a separate document if that works for you.

Ex. 5 - Deliberative Process

Thanks,

Jim

Jim, This is Alison's response on the question of a final response. Let me know if the redline version will be sufficient.

Thanks, Nancy

Nancy,

Rebecca asked me to get back to you. I (and other members of our team) appear to have misunderstood what you wanted regarding the final response. I think the best thing to do is just go to the applicable section of the redline application document and see how we addressed the comment. Is that appropriate, or do you want us to handle it in another way?

Alison

Hi Rebecca,

We did receive the revised application. It was my understanding that you would also submit a final response to comments. Your previous response was draft. Would you clarify?

Thanks, Nancy

Nancy,

You should have the revised UIC application now, of which a copy was also sent to James Walker.

We would like to discuss with you and your team on Thursday, June 22, 2017, at 10:00 am the progress on the permit,

any outstanding issues and the schedule moving forward.

The new call in number is Ex. 6 - Personal Privacy conference code Ex. 6 - Personal Privacy

We received the concurrence letter from USFWS, and understand that the "other federal considerations" have now been fully addressed.

Please let me know if there are any specific topics that EPA has for discussion, so we can prepare.

Thanks,

Becky
