OK, no problem for any of it. I will just hold back a few slots until you know one way or the other for and whatever the 3rd location is. Just keep me posted and I will do the same. I think that for we weren't given a limit on the number of people who could come, so if you ultimately have more than 3, that would probably be fine.

The last time I looked, the FR website said 74 comments, but it seems that they miscounted . . .

I will be on the phone this afternoon for the call.

Elizabeth and I discussed and we may not be able to make the tour in because of the deadline for the OMB comments. We received 83 comments and it will take some tine draft responses and clear so it may not be wise for us to be out to the office during the week of the 16th.

Let me know about the Ex. 6 Personal Privacy (PP) tour. We would like to have two spots spot on this tour.

I will check with Pat and see if he can attend the tour in Also, our regional representative in would like to attend one of the tours since they will be helping with the field work. They can take the two spots in

I will let you know ASAP.

Angela

So far, there are no other tours planned, but our colleagues who are organizing these are trying to determine one more location. They are considering the Ex. 6 Personal Privacy (PP) in Ex. 6 Personal Privacy (PP) but so far, no plans have been made. If they finalize another location, I will let you know as soon as I know. I am sure that they won't be planning any for July. They'd like to wrap up these tours within the next month or so.

Hi Jackie,
For logistical purposes we have a few questions.
1. Which airport should we fly in to?
2. Will transportation to and from the facilities be available or should we plan on meeting at the facility?
3. If transportation is available, what time will we be departing? If not, what time should we plan on the tour starting?

Thanks,
Elizabeth

Subject: FW: Tour of Ex. 6 Personal Privacy (PP)

We are confirmed for May 16th at Ex. 6 Personal Privacy (PP). We will start at the Ex. 6 Personal Privacy (PP) facility. So, let me know soon if you all want to participate, and if so, if you want to add the Ex. 6 Personal Privacy (PP) plant as a second stop. Deciding whether CPSC will participate will likely affect the timing of the morning tour so we should try to determine if CPSC will come or not.

Thanks.

Jackie
