Jackie, you asked me to get you information about the major recycled rubber infill producers whose product is used in fields and playgrounds. I suggest you reach out as follows:

Ex. 5 Deliberative Process (DP)

With the exception of Ex. 5 Deliberative Process (DP), I have not reached out to any of the others on the above list so they are not aware that I am sending you contact information. I am happy to do that if that would be helpful to you.

Nancy A. Nord, Esq.
