Jose,

Please see attached for edits to the cover letter. I have a couple of other comments I'll give you a call about but wanted to get these edits over to you sooner rather than later.

Thanks,

Fitz

Hi Fitz. Thanks for these. I've been working with the team on this and have some responses below in green. We will delay sending out the reports to the Army until all matters are resolved about the cover letters. Our hope is to get all letters out (Army, recycling plant, and community field owners) by Monday.

Best,

jose
