Hello Cynthia,

I would like to put you in touch with our mycotic disease team regarding some work and an upcoming publication on azole-resistance. Please let me know if you have any concerns, otherwise, I will send an email to connect you.

Best,
Amanda

Good afternoon Arnold,

I am reaching out to you to find a good contact in the fungicide office at EPA. One of our SMEs has a paper coming out on azole resistant aspergillus and we'd like to connect with EPA ahead of publication. I received your name from colleagues working on Zika and thought I would start with you. Any suggestions or connections you'd recommend are welcome.

Best,
Amanda
