No problem to schedule over that, thanks for checking!

Just to you. The absolute best date and time for everyone is Monday, Oct 26, 4-5 pm ET. You have a 401 implementation meeting that runs until 4:30. Is that going to be a problem? We lose Joe the rest of the week due to his ELMS duties.

Hi, Folks

ND is requesting a meeting with EPA next week. I'm checking our schedules now and working with Holly to set up the meeting.

Subject: ND DEQ would like to have a call re: selenium

Hi Mario, I just received an email from Pete Wax, WQS Coordinator with North Dakota DEQ, who said based on internal discussions at DEQ, he and Karl Rockeman, WQ Division Director, would like to have a call with headquarters personnel to discuss the selenium issue.

Andrew Todd will also be on the call. Free times for ND DEQ are (central time): Monday after 3:00, Tuesday 8:30-9:30 and 11:30-5:00, Wednesday (all day), Thursday 1:00-5:00, Friday (all day).

Shall I get in touch with Lars et al, or do you have time to coordinate a call? I'll set it up once I know everyone's availability.

Thanks,
Holly
