Rebecca,

I have received your application for the MSCA grant for Carson River Mercury Superfund Site and Anaconda Cooper Mine Site. Please provide a copy of your latest IDC for FY18. Also, on the Key Contact List, I need an Administrative Contact for the person whom I would call for administrative matters (i.e. indirect costs, budget etc.). Please add this person to the list.

FYI, you are not required to submit any forms besides the Key Contact Form as you are on Annual Terms and Conditions/Certifications. We are still awaiting the signed copies as last year's will expire at the end of the month. I will require the new ones (per my request by June 15) in order to process this grant.

Thank you.
