Hi Greg,

On behalf of Enrique, please find a letter regarding the deferral of the NPL listing of the Anaconda Mine site. The letter proposes that EPA and NDEP sit down in person or on the phone next week to address the remaining issues that need to be resolved before EPA can make a final decision on deferral.

Here are some dates that work for us:

Wednesday, November 15

Thursday, November 16 after 11am

Friday, November 17

Please let me know what works best for you.

Thanks.

Angeles
