Cecilia,

Here are some notes from the meeting. Sorry they aren't very thorough. I had fun trying to understand what folks were talking about....

Ex. 5 Deliberative Process (DP)

- Mead -> 6 seed co working on voluntary compliance. Looking at remediation of aggressive dewatering of a northern lagoon at AltEn. Public hearing in late April. First hearing for this site.

How long is the NDEE meeting? If an hour, I can see if I can defer the one mid-year I have scheduled.
