Alexis and Amy,

Thank you for orchestrating and participating in the discussions yesterday with Ken Wagner and the Region 9 programs. Everyone made us feel comfortable. The discussions gave good insight to Brad and I on the Region 9 team and all of the work we are currently collaborating on, and generated some ideas for future work.

We touched on a number of specific topics with programs and public affairs for follow up, including:

•□□□□□□□□ Identifying joint opportunities to highlight SRF funded projects , NDOT

stormwater progress, and brownfields Kelly/Tomas/Kathleen/Enrique – one event each

•□□□□□□□□ Assistance with coordination and communication on controlled burns in Tahoe basin Elizabeth

•□□□□□□□□ Clarification on the RMP propane rule retail exclusion Enrique

•□□□□□□□□ Forecasting and aligning resource needs for regional haze modeling Elizabeth

•□□□□□□□□ Scheduling the annual meeting with the Region 9 Enforcement Division and NDEP management Kathleen

•□□□□□□□□ Overall coordination for potential Anaconda Deferral activities through September, including review of RFP for EPA work on Navajo uranium projects to develop tribal employment opportunities

Enrique

I also mentioned our appreciation for constructive working relationships with individual EPA staff, and in particular Lisa Beckham, Khoi Nguyen, and Alison Fong.

Thanks again,

Greg
