I just noticed that not all the changes are included in the Appendix Table called "USEPA Acting Senior Managers effective noon on Wednesday January 20, 2021", and that is liable to rapid change anyway. So let's drop that table entirely and just leave the executive order as the only item in appendix E

Thank you. A typo on my part. Henry Barnet is who I meant.

Barry,
I'm not finding a Henry Barrett in the global. Did you perhaps mean John Irving for OECA?

Thank you. The first two items you spotted below are good to plan to update with, and I don't have any further suggested edits / additions at this time. So let's move this versions of the CONOPS from draft to interim final, and add an indication to the document that we will continue to review/revise as conditions warrant and new is planning received. For version control, would you add a date to it also?

I do have what I need for secure comms, thank you to all.

On the last bullet below, re the distro list for the Ex. 5 Deliberative Process (DP), the list below is a good start and I don't have anyone to suggest we remove. In addition, I would add the following to get the Ex. 5 Deliberative Process (DP):

1. until 12 noon on 1/20/21, let's include the Administrator (using the same email address for him that we use for reports on major natural disasters like hurricanes), Doug Benevento, Mandy G., and the departing AA's in OLEM, OAR, OECA, and OW (so: Peter Wright, Susan Bodine, Ann Idsal in OAR, and the Acting AA in OW (would you please check the website for who that is). In addition, Cos Servidio in Region 3, again until 12 noon on 1/20.
2. For the entire duration, both before and after 12 noon on 1/20/21, would you please include for OW Andrew Sawyers, Benita Best-Wong, and Jennifer McLain, for OAR Sarah Dunham, Betsy Shaw, and Jon Edwards, for OPA Nancy Grantham and Jackie Harwood, for OCIR Robin Richardson, for OECA Henry Barrett and Larry Starfield, for OMS Donna Vizian Lynnann Hitchens Yvette Jackson and Vaughn Noga, and for OA Charlotte and Wes Carpenter. For Region 3, would you please make sure we have Diana Esher, Cecil Rodrigues, and Paul Leonard.

If you have edits to the above, either to add or delete, would you let me know? This is meant to be helpful, not restrictive.
