Atlanta, Georgia 30303-8960
Blackman.Daniel@epa.gov

Dear Administrator Regan and Regional Administrator Blackman:

Attached is a request, submitted on behalf of the Environmental Defense Alliance, Waterkeepers Alabama, and Alabama Rivers Alliance, that you make a determination that new and revised water quality criteria for toxic pollutants are necessary to meet the requirements of the Clean Water Act in Alabama and protect the health of Alabamians. We look forward to hearing from you or your staff soon.

Sincerely,

David A. Ludder
