Todd,

I am writing to inform you that Victoria Sacks will be taking over for me as Remedial Project Manager for Lower Ley Creek. I have included her on this email. Her phone number is 212-637-4297. I will still be available if any questions come up.

Can you please bring your monthly reports up to date? The latest one I received was for April 2019. Also let us know your submittal schedule for the PDI report.

Thanks and Happy Holidays,
Pam
