Hi Denise and hope you're doing well. Just wanted to check on the status of the extension request? Could you advise when you have a chance?
Thanks.

Hi Buzz,

Thanks for your email and I look forward to working with you as well. The letter you attached will work just fine for a request for extension. Yvezee and I will get back to you and Mitchell Martin soon regarding the extension.

Ms. Leong – I am outside environmental counsel to Desert View Power (DVP); it's nice to meet you and I look forward to working with you.
EPA's request letter includes reference to the preparation of a declaration in the context of any request for extension, so I wanted to check with you on that. Will the attached letter suffice or will EPA still require a formal declaration signed by a RCO?
Thanks!
Best regards,
Buzz
