Nonresponsive based on revised scope

I don't know. I would like to know why PermaFix recommended the gamma spec in the first place. Let's talk tomorrow
Thanks for the heads up
Chris

Chris,
Please see below.
Do you want to request this?

C u in the morning.
Good night.

Nonresponsive based on revised scope

Radium-226 is not part of our standard gamma analysis. It needs to be requested individually. It requires a different prep and analytical procedure than the standard gamma analysis.

Good evening.
Could you please tell me why Radium -226 was not listed on the Gamma spec on the report?
Thanks and I look forward to hearing from you.
Appreciate the service.
