Subject: Case 48426
Shiloh Church ARF_August 2019 (003).pdf
48426 7day TAT COC for 8-27-19.pdf

The laboratory received Metals samples under Case 48426 (Shiloh Church Road Site). The associated Chain of Custody Forms received along with the samples requested the analysis of Mercury (see attachment #2), which was not requested on the Analytical Request Form you submitted (see the attachment#1).

Did you intend to include Mercury analysis on the request?
