Subject: Invitation: Launch of the Coastal Research Institute

Keynote Address by EPA Acting Region 9 Administrator: Alexis Strauss

The Bay Foundation and the Frank R. Seaver College of Science and Engineering cordially invite you to the:

Coastal Research Institute Launch

Featuring USEPA Acting Region 9 Administrator Alexis Strauss

Join us in celebrating the launch of this innovative research collaboration that builds on the successful partnership between the Frank R. Seaver College of Science and Engineering and The Bay Foundation. Alexis Strauss, acting regional administrator of EPA's Pacific Southwest Region which spans California, Nevada, Arizona, Hawaii and 148 tribal nations, will deliver the keynote address.

Thursday, Nov. 9, 2017

Loyola Marymount University, 1 LMU Drive, Los Angeles, CA 90045

3 p.m. - Keynote address (Life Sciences Building Auditorium)
4 p.m. - Reception and poster session (Life Sciences Building Lobby)

About the Institute
The Coastal Research Institute brings together expertise from Seaver College of Science and Engineering and The Bay Foundation to improve local waters. The institute enhances understanding of global urban coastal resource management through the execution of projects implementing EPA's Santa Monica Bay National Estuary Program.
