Hi Sarvy,

Yes, that's what my email was in reference to. I have attached the talking points that were previously provided. Please let me know a little bit more about the type of information you would like us to add and I'd be glad to do it. Sorry for any confusion.

Thank You,

I haven't had a chance to fully review the latest set of accounting sent by Nate.
Once I do that, I can see what I need, if anything. Should be later this week.

In the meantime, did you have a chance to send me an updated talking points?

Thanks,
Sarvy
