Thanks Michelle, I submitted the ftp access request and will let you know if I have any questions once I've accessed/reviewed the documents.

Subject: Brinkerhoff 3A - Response to Tech Review Comments

Hi Chris,

Hope you're doing well.

Please see attached, Merit's response to your comments provided on the Preliminary Technical Review. Also, due to file size restrictions I have provided instructions below to My FTP site, where you will be able to access all of the exhibits that go along with the attached response document.

Once you gain access to the "2021 Regulatory North Division folder", there will be a subfolder within called "B3_Tech Response" where you will find all of the exhibits.

If you have any questions, please don't hesitate to ask!

For users outside of Merit, please have them follow these steps:

1. Go to https://transfer.meritenergy.com/login
2. Click on the link that says "Request an Account" located at the bottom of the form.

Fill out form for new account creation making sure to put "**2021 Regulatory North Division**" as the justification for the account. **<- This is important!**

Best regards,

Michelle Yalung
