Hi Lincoln,

I'm writing to follow-up on my earlier emails in which I shared the link to the Italy mission briefing book. I understand from my colleagues that you may not be familiar with Outlook OneDrive. Therefore, I'm attaching the Word files for the Rome events so you can add the Administrator's remarks. Let me know if you have any questions. Thanks.

Dear Lincoln,

I am sharing a link to the briefing book for the Administrator's Italy Mission. I understand you are preparing the Administrator's talking points for several of the events. Please feel free to add the talking points directly to the briefing papers or send them to Anna Phillips as Word files and she will attach them to the papers. Thanks.

Brenda
